Principal Message

Happy New Year!!

I hope you all had a lovely Christmas break. This term is a short one but we have lots to fit in. Please remember to keep up to date with what's going on via twitter or the website.

Pobble Launch

The first day back started with the launch of Pobble. All of you (unless we do not have your email address) should have received an email with a link to set up the pobble account for your child. Pobble is an online platform where children can have their writing published. It also means that we can celebrate our children's achievements and they can share them with you. The writing can be viewed all over the world.

So far we have 30 published authors whose work has been viewed over 350 times.

Please, please make sure you activate the account. If you haven't got a link please see the school office who can help you get set up.
