Welland Weekly

9th March 2018

Issue 23

Principal Message

This week we have had lots of mums in for our Mother's Day lunches. I hope you have all enjoyed coming in to be with your children. It takes a lot of organising, therefore a big thank you goes to Welland academy's office and kitchen staff that ensure it runs as smoothly as possible. I hope all the mums, aunties and grandmas have a fabulous Mother's Day on Sunday.

Mrs Anderson

Respect for staff

It has come to my attention this week that some parents have been quite disrespectful to the staff at Welland Academy. All of the staff work very hard to ensure that we give the best to our pupils and abuse of any kind will not be tolerated. We teach our pupils to be courteous and considerate as part of our 5C's and would encourage parents to do the same.

Year 4 Athletics

On Wednesday our year 4 children went to Stanground academy to take part in the athletics competition. They had a great time and all did their best. Our girls did amazingly well and came first out of all the schools there. Well done!

Science Week

Next week it is British science week and we are holding our of science week. There will be various science activities, visitors and visits taking place next week. Don't forget to ask your children all about it.
