Parent Forum

We have planned two dates for our Parent Forum. These will take place on October 12th and December 7th, both from 8.45am. Please come and join us for a drink, chat, ask questions and learn about things in the school.

The World is our Classroom

Educational Visits

When teachers plan the topics they will try to include opportunities which give children experiences in the form of visits. The Academy is often able to cover some of the costs however we rely on parental voluntary contributions to meet the rest. We are struggling to get enough contributions to cover these costs which unfortunately will mean we will be unable to provide these experiences. Please help us give your child the best educational experiences to support their learning.
